Public Meeting Notice: Input Needed for Big Basin Redwoods State Park General Plan's "Preferred Alternative"

Felton, CA – The Big Basin Redwoods State Park General Plan "Preferred Alternative" will be presented at a public meeting from noon to 4 p.m. on Saturday, March 26 at the Felton Community Hall.

The General Plan provides a template for future park management, resource protection, and visitor usage. Public input is being sought for this strategic process, as the General Plan helps articulate a collaborative effort from both the planners and the public. The Preferred Alternative has been developed with other public meetings, which have looked at preserving the natural and cultural features and current park activities and programs.

A summary of the planning goals and recommendations related to each of the park's areas can be viewed at www.parks.ca.gov/BigBasinGP. Felton Community Hall is located at 6191 Highway 9, Felton, California.
